Claims 1-16 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1-9 and 15 are allowed because claims 1 and 15 specifically require that the sewing apparatus comprise a cassette mount to which a thread cassette, while in a closed state, holding the needle thread used in the sewing mechanism is detachably attached.

Claims 10-13, and 16 are allowed because claim 10 specifically requires an informing unit supplying information about a sewing work to a user.

Claim 14 is allowed because it specifically requires a thread cassette with a determination portion provided so as to be opposed to a detecting portion of the sewing mechanism when attached to the sewing machine, the determination portion being designed so that a correspondence between the determination portion and the detecting portion is fulfilled according to a type of a needle thread held by the thread cassette, wherein a determining unit provided in the sewing mechanism is capable of determining a type of a needle thread based on the fulfilled correspondence.

Claim 15 is allowed because

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
